### Terms of service provision

To obtain a demo device, please complete this request form, after having read the conditions below, and send it to [sales@bionitlabs.com](mailto:sales@bionitlabs.com).

BionIT Labs® is committed to sending you the order confirmation and, upon acceptance, and to shipping the device by the requested start date. If this is not possible, we will contact you to arrange an alternative date.

The return date of the device is considered when the device is delivered to the BionIT Labs® headquarters located in **Via Cracovia 1, Soletto (Le), 73010**.

Once the shipment is completed, you must send an e-mail to [sales@bionitlabs.com](mailto:sales@bionitlabs.com) indicating:

- day of shipment;
- shipment tracking number;
- carrier used.

If at the end of the trial the patient intends to purchase the Adam's Hand®, the demo device must be returned in any case and the order of the medical device for the patient must be placed.

Until the return date of the device, the Client who requests the device is responsible for damage, repairs, theft or loss of the device and its accessories, as better specified in the Warranty Conditions attached.

#### Conditions of the demonstration test:

1. The shipping costs and the return of the goods by the date indicated below shall be charged to the Customer.
2. The trial period starts on \_\_\_\_\_ and ends on \_\_\_\_\_ when the devices are delivered to BionIT Labs®. An extension of the period may be granted at the request of the customer.
3. The devices must be returned in excellent condition, accompanied by original documentation and accessories, and contained in the original packaging.
4. Any missing parts, damages and tampering with the goods and related charges shall be invoiced at the indicated cost. The price indicated herein shall only be payable in the event of failure to return the goods upon the deadline of the agreed trial period.
